AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, SUZANNE MCDONOUGH, HAVING BEEN DULY SWORN, DEPOSE AND STATE: I am a United States Postal Inspector, having been so employed since July 22, 1995. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the Postal Inspection Service with investigative responsibility for Southwest Ohio and Northern Kentucky. Part of my investigative responsibility involves the use of the United States Mail in the transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.

Your affiant attended a week-long national Inspection Service training course in October, 1997. The training involved narcotic investigation techniques, chemical field tests and training in the detection and identification of controlled substances being transported in the U. S. Mail. In September 1999 your affiant attended a two-week drug investigator's training course provided by the Drug Enforcement Administration that included training in drug identification, drug interdiction, confidential informant management, and undercover investigation practices. In addition to this formal training, your affiant has worked since 1996 with various federal, state and local law enforcement agencies in the investigation of the transportation of illegal drugs and their identification. Primarily your affiant's investigative attention relates to the mailing of narcotics within the continental United States. Infrequently investigations involve foreign originating packages, those referred by U. S. Customs, and those coming to your affiant's attention

from other law enforcement agencies.

Your affiant has become aware that drug traffickers frequently use Express Mail, a business-oriented over-night service offered by the United States Postal Service, to transport narcotics and other dangerous controlled substances. As a result of investigations and successful controlled substance prosecutions where Express Mail was used, your affiant has learned of certain characteristics indicative of other Express Mail items previously identified as containing narcotics or other dangerous controlled substances. Some of these characteristics include, but are not necessarily limited to or used on every occasion, false or non-existent return address, addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.

On November 25, 2015, a suspicious Priority Mail Express Parcel was intercepted at the Dayton, OH Processing and Distribution Center. The parcel appeared suspicious due to the fact that it was mailed from Oakland, CA, but the return address was Troy, AL, and the Waiver of Signature delivery option was selected.

This parcel is further identified as follows:

Label Number: EK 973348051 US

Sender: Hayasa Motor Bikes
3450 County Rd. 2290
Troy, AL 36079

Addressee: Justin Smith
208 Brownstone
Englewood, OH 45322

Observation of the Priority Mail Express Parcel indicated the parcel was mailed from the Oakland Main Post Office, Oakland, CA 94615. Through training and experience, your affiant has learned that the area in and around Oakland, CA, is a location of known drug activity and a drug source location.

The CLEAR database was researched regarding the listed return address, Hayasa Motor Bikes, 3450 County Rd. 2290, Troy, AL 36079. The information obtained from the system indicated no Business by the name of Hayasa Motor Bikes is known to be associated with that address.

The CLEAR database was also researched regarding the listed addressee, Justin Smith, 208 Brownstone, Englewood, OH 45322. The information obtained from the system indicated no one by the name of Justin Smith is known to be associated with that address.

Officer Tonina Lamanna, Dayton Police Department, was contacted regarding the suspect parcel to arrange for a narcotic's canine to check the parcel. Officer Lamanna and her canine "Raika" are a currently certified narcotics team. The team was most recently certified by the International Police Work Dog Association. Officer Lamanna responded to the Dayton, OH Processing and Distribution Center where the parcel was placed in an office among several other similar parcels and presented to narcotic canine, "Raika", who alerted positively to the presence or odor of a controlled substance upon Priority Mail Express Parcel, Label Number, EK 973348051 US. Attached

herewith, and made part hereof by reference, is a photocopy of the narcotic canine handler's record of examination.

This information, along with the parcel being mailed from a known drug source location and the positive alert of narcotic canine "Raika" is indicative of a drug package.

Based on the information contained herein, your affiant believes that contained in Priority Mail Express Parcel, Label Number, EK 973348051 US, is a quantity of a narcotic or other dangerous controlled substance, their proceeds or instrumentality's. Therefore, a search warrant to open the parcel is requested.

Further, your affiant sayeth naught.
